Ms. Cecile J. Bereal
RMA Management Alliance, Inc.
2186 Flying Hills Lane
El Cajon, CA 92020-1360

Dear Ms. Bereal:

As Chair of the Business Liaison Subcommittee for the California Governor's Committee on the Employment of People with Disabilities (Governor's Committee), I am inviting you to join our subcommittee as an ad hoc member.

The Governor's Committee is responsible for advising the Labor and Workforce Development Agency and the California Health and Human Services Agency on all issues related to the full inclusion of people with disabilities into the workforce. The Business Liaison Subcommittee is responsible for conducting research and developing policy recommendations that will result in an increased rate of employment for people with disabilities.

Currently, the Business Liaison Subcommittee meets four to six times per year, with workgroup meetings conducted on an as-needed basis. Should you elect to become a subcommittee member, you will have influence on subcommittee direction and voting privileges for all motions brought before the subcommittee. The Governor's Committee meets quarterly. I encourage you to attend these meetings to stay abreast of current events relative to the Governor's Committee and the other subcommittees.

Your experience as a successful entrepreneur, along with your valuable expertise and active role on various boards and councils in the area of human resource management, equal employment opportunity and workplace diversity would be a wonderful asset to the Business Liaison Subcommittee.

Ms. Cecile J. Bereal

I look forward to discussing the possibility of you joining us to achieve our mission. If you are interested in volunteering as a Business Liaison Subcommittee member or if you have additional questions relating to participation, please contact me at 408-742-8346. You may also contact Desi Malone at 916-654-2985 or dmalone@edd.ca.gov.

Sincerely,

VANESSA WILLIAMS, Chair
Business Liaison Subcommittee
Governor's Committee on Employment of People with Disabilities
