***About the San Diego Supplier Development Council***

The San Diego Supplier Development Council (SDSDC) is comprised of small business advocates and purchasing professionals who represent local private industry and government agencies.

Our Council seeks to improve member's procurement and subcontracting performance by creating opportunities for emerging and underutilized small businesses.

Michelle receives award from  
San Diego Supplier  
Development Council

***About Executive Awareness***  
Each fall the Council conducts a special Membership meeting to recognize those who have excelled in assisting small businesses or those organizations with strong small business programs
